U-TUBES FOR HEAT EXCHANGERS IN-HOUSE BENDING

www.salemtube.net

Salem Tube
INTERNATIONAL LTD

Your Global Partner for Heat Exchanger and Boiler Tubes

As the UK market leaders Salem Tube have built an enviable reputation for supplying a bespoke package to the heat exchanger and petrochemical industry worldwide.

Our 'U' bending facilities have the flexibility to meet your most demanding delivery requirements. Lengths of up to 28.6 meters can be bent.

Where required the 'U' tubes can be pressure tested and stress relieved to suit your requirements. 'U' tubes bent fully in accordance with TEMA 'R' Free issue bending can be undertaken.

In case you have special questions please do not hesitate to contact us by phone, by fax or by e-mail.
